AI Center for Civic and Social Good

The AI Center for Civic and Social Good ("AI Center") is a joint initiative serving San José State University (SJSU), San José Public Library (SJPL), and the broader San José community. AI Center laptops are provided to support learning, research, public education, and responsible innovation in artificial intelligence.

Use of AI Center laptops constitutes agreement to the following terms.

1. Eligibility and Authorization

AI Center laptops may be used only by individuals with:

- An active [SJSU Tower Card](#), or
- An active [full-access SJPL library card](#)

Guest access is not permitted.

Users must present a valid SJSU Tower Card or full access SJPL library card and log in using the card number and password. Verification is completed with AI Center staff during walk-in hours and with reservation staff for reservations.

Laptops are for **in-room use only** and must remain within the AI Center.

2. Permitted Use

- Academic, research, and creative activities involving AI
- AI learning, exploration, and experimentation
- Workshops, instruction, presentations, and public programs related to AI
- Civic, community, and collaborative engagement that supports the AI Center mission
- Use must remain consistent with the mission of promoting responsible, ethical, and equitable access to artificial intelligence technologies.

Use must remain consistent with the mission of promoting responsible, ethical, and equitable access to artificial intelligence technologies.

3. Compliance with Laws and Policies

- San José State University policies
- San José Public Library policies
- applicable federal, state, and local laws
- copyright, privacy, and intellectual property laws
- academic integrity standards

Prohibited uses include, but are not limited to:

- unlawful activity
- harassment, threats, or harmful conduct
- generating or distributing deceptive, discriminatory, or harmful content
- unauthorized access to systems, networks, or data
- activities that compromise security, operations, or service availability

Violations may result in termination of access and referral to appropriate administrative or legal authorities.

4. Session Limits and Availability

Laptop use is limited to **three (3) hours per session** unless extended by staff.

Staff may require early return of equipment to support scheduled programs, operational needs, or equitable access.

Use is subject to availability and staffing.

5. Care, Handling, and Responsibility for Equipment

Users agree to:

- exercise reasonable care in handling equipment
- maintain all components together
- immediately report damage, malfunction, or loss
- follow staff instructions regarding use

Users may not:

- remove asset labels or identification markings

- install unauthorized software
- alter system configurations or hardware
- attempt repairs or modifications

Users are financially responsible for damage, loss, theft, or misuse resulting from negligence or failure to follow guidelines.

6. Data Storage and Privacy

AI Center systems do not provide permanent local storage and may be reset between sessions.

Users are responsible for:

- saving files to personal storage
- logging out of accounts before returning equipment
- avoiding storage of sensitive, confidential, or personal information

SJSU, SJPL, and the City of San José are not responsible for lost data.

7. Network Access and Security

Devices connect to a secured network managed by City of San Jose and University IT personnel.

Users may not:

- bypass or attempt to bypass security controls
- interfere with network performance or security
- access restricted systems or data

Network access is provided for academic, research, and educational use.

8. Shared Community Resource

The AI Center is jointly supported by SJSU, SJPL, and the City of San José to provide equitable access to advanced technology.

Users agree to use equipment responsibly and in a manner that preserves access for others.

9. Monitoring and Security Measures

Security safeguards and administrative controls may be in place to protect equipment and systems.

Attempts to disable or circumvent security measures are prohibited.

10. Enforcement and Consequences

Failure to comply with these terms may result in:

- termination of the session
- suspension or revocation of access privileges
- financial liability for damage or loss
- referral through applicable conduct or legal processes

11. Limitation of Liability

To the extent permitted by law, the Dr. Martin Luther King, Jr. Library, San José State University, San José Public Library, and the City of San José are not responsible for loss of data, personal property, or other damages arising from use of AI Center equipment or services.

By using an AI Center laptop, the user acknowledges that they have read, understood, and agree to comply with this agreement and all applicable AI Center guidelines.
